# Activity TopUp Insurance

## Key Facts & Policy Wording Booklet

This booklet will help you understand the insurance policy you have bought. It contains a summary of the benefits, Key facts of the policy and the complete schedule details. This booklet should be read in conjunction with your policy schedule.

## A bit about us

SportsCover Direct Limited was established in 1991 by people who are passionate about sport, from skiing to skydiving, walking to windsurfing. We recognised the importance of adequate insurance and, over time, have built up a deep knowledge of the industry. The team are fully up to date with trends in both the insurance and sporting industries and ensure they keep abreast of any new developments. Products are available both for Individuals (personal cover) and Businesses (commercial cover).

## Demands & Needs

The Activity TopUp Insurance policy satisfies the demands and needs of a person who already has a valid Travel Insurance for the duration of a trip but needs to cover an activity that is excluded by the existing travel insurance.

## Existing medical conditions

Any existing medical conditions - along with injuries incurred in the past 2 years and any injuries that have not fully cured – must be declared to us for consideration and review by completion of our Medical Questionnaire. Any claim relating to or associated with an existing Medical Condition will automatically be excluded unless we have agreed to cover (sometimes on special terms) in writing.

## Proposer's Obligations

If you are buying insurance on behalf of others it is your responsibility to ensure that all persons to be insured under this policy comply with the Terms and Conditions and have been asked whether or not they have any existing medical conditions or if they have made a medically related claim on insurance in the past three years and to declare the response to us.

**This document is a listing of our key facts for the Activity TopUp Insurance Policy. It contains selected information only. Your Insurance Schedule and the Schedule Details provide full details of the cover purchased.**

**Who is the Insurer?**

This policy is underwritten on behalf of Lloyd's Syndicate 4444 by Canopius Underwriting Limited, Gallery 9, One Lime Street, London EC3M 7HA.

**What sort of insurance is this?**

This Insurance policy satisfies the demands and needs of a person who already has a valid Travel Insurance for the duration of a trip but needs to cover an activity that is excluded by the existing travel insurance.

**How long will my cover last?**

The actual validity dates are shown on the Insurance Schedule. Policies are valid for specific dates purchased and only whilst taking part in an insured activity whilst you are on a trip covered by a valid travel insurance. You may need to review your cover periodically to ensure it remains adequate. Please note the cover will not incept if any payment method is dishonoured.

**Are there any significant and unusual exclusions or limitations?**

These are all set out fully in the policy wording and please note the following:

- This policy is only available to persons resident in the United Kingdom or Ireland or Channel Islands or an official BFPO address.
- This policy is only valid whilst you take part in an activity excluded by your existing travel insurance.
- This policy only covers amateur activities – Professionals (earning over £4000 pa) are excluded.
- Persons over 75 years cannot be covered. Persons over 64 years must contact us as conditions apply.
- There is an exclusion for losses arising from war or terrorist activities.
- The insurance contains important conditions that relate to your health and existing medical conditions. In particular pre-existing medical problems and details of all medical claims made in the past 2 years must be declared.
- There are specific sports conditions applicable to certain sports. Please consult the Table of Sports groups to check on the sports you participate in.
- There are limits to the amount the insurer will pay in all sections of the policy. Some sections have internal sub-limits such as the amount the insurer will pay for any one item or the total amount for all valuables (such as photographic equipment).
- You may be responsible for paying part of the claim. The amount you have to pay is the excess. Under most sections of the insurance, claims will be subject to an excess as set out in the Benefits table.
- You are required to take all reasonable care to protect yourself and your property and to act at all times as if you are not insured.

**Does it benefit me to have an EHIC?**

Yes, for medical claims that exceed the monetary excess we will waive the stated excess when the EHIC or Medicare is used to reduce the cost.

**What are my cancellation rights?**

If the Insurance does not meet with your requirements you may return the documentation within 14 days of the date of issue and provided no claim is made, obtain a full refund.
