

Complaints & Customer Support

Our Commitment to You

We are committed to delivering exceptional service to all our valued customers and strive to maintain these standards at all times. However, we recognise that from time-to-time misunderstandings may arise or mistakes may occur.

If You Are Dissatisfied

If you are dissatisfied with a service provided by our staff, or with any information displayed on our website or within your policy documentation, please notify us.

We will endeavour to investigate your concerns promptly and put things right where we can.

Policy and Claims Enquiries

If you have any questions or concerns regarding your insurance policy or the handling of a claim, please contact us in the first instance. We will do our best to assist you.

Claims Complaints

Please note that we do not handle claims internally, as claims handlers are appointed by the underwriters.

Whilst, where possible, we will always seek to support our customers in the event of a claim-related issue, we are not authorised to review or resolve complaints relating to claims. These should be directed to the relevant underwriters or insurers.

Further Information

Further details about our complaints procedure can be found [here].

What happens next

We, or the underwriters, will acknowledge your complaint promptly (unless resolved within 3 business days).

We will investigate your complaint fairly and impartially.

We will keep you informed of progress where appropriate.

We will issue a final written response setting out our conclusions.

If we are unable to provide a final response within 8 weeks, we will explain the reasons for the delay and inform you of your right to refer your complaint to the Financial Ombudsman Service.

Financial Ombudsman Service

If you remain dissatisfied after we have issued our final response, or if 8 weeks have passed since you first raised your complaint, you may be entitled to refer your complaint to the Financial Ombudsman Service (FOS), which is an independent body set up to resolve disputes between consumers and financial services firms.

You must refer your complaint to the FOS within 6 months of receiving our final response.
